DISCLAIMER

I certify that this smart controller was purchased and installed at the address listed above. I have attached the necessary documents for registration and/or rebate and understand that the watering day exemption and/or rebate will not become effective until the City of Frisco has inspected the smart controller for proper settings and operation. I understand that the installation of an approved smart controller does not guarantee a reduction in my water bill or my water usage. I agree to display my designated yard sign visible from the street to indicate the use of a smart controller. I understand that the sign belongs to the city and may be removed for non-compliance. The purchase of additional instrumentation may be necessary to meet minimum smart controller requirements. The City of Frisco may deny any application that does not meet program requirements and reserves the right to alter this program at anytime.

APPLICATION PROCESS

1. Complete this application form.
2. Provide a receipt or proof of purchase if you retro-fitted your smart controller for the rebate.
3. Provide a receipt or proof of purchase if your smart controller requires a subscription for weather-based signal information.
4. Send your completed application to the Public Works Facility:

**CITY OF FRISCO,
SMART CONTROLLER PROGRAM
11300 RESEARCH ROAD
FRISCO, TEXAS 75034**

5. A city staff member will call you to schedule your smart controller inspection. After an inspection, city staff can approve the application for a rebate.
6. All rebates are issued as a credit applied to the water bill account. Please allow 1-2 weeks to process your application for the rebate incentive.
